

DON ALLEN T. VELOSO

Jugo St. Poblacion Maribojoc, Bohol

Mobile: 09165251335

Email: velosodonallen@gmail.com

OBJECTIVE: To apply my skills in full stack development to build and optimize web applications, ensuring high-quality solutions and a seamless user experience. I aim to contribute to a dynamic team while continuing to grow professionally.

PERSONAL DATA

Date of Birth: March 11, 2002

Place of Birth: Tagbilaran City, Bohol

Civil Status: Single

Height: 5'9"

Weight: 84kg

SUMMARY

A Computer Engineering student with a strong foundation in full stack development, including both front-end and back-end technologies. Passionate about building web applications and eager to apply academic knowledge to real-world projects. Quick to learn, adaptable, and committed to contributing effectively in a collaborative team environment.

WORK EXPERIENCE

- **Full Stack Developer (Part-time)**

- Freelance – Student Projects*

Developed and designed websites for student projects, focusing on both front-end and back-end development. Collaborated with students to understand project requirements and deliver tailored solutions. Utilized HTML, CSS, JavaScript, and PHP to create functional, responsive websites.

- **Backend Developer**

Thesis - CompED

Designed and developed the backend architecture of **CompED**, a web-based system for computer education enhancement. Implemented user authentication, data management, and admin features to support system functionality. Integrated database systems and built secure, scalable APIs using **PHP** and **MySQL**. Collaborated with team members to align system features with educational goals and user needs.

EDUCATIONAL BACKGROUND

TERTIARY

UNIVERSITY OF BOHOL

Bachelor of Science Computer Engineering

2020 - 2026

SENIOR HIGH

Holy Name University

2018 - 2020

SECONDARY

Holy Name University

2014 - 2018

ELEMENTARY

Santa Cruz Elementary School

2008 - 2014
